

/home/jetson/controlroom
/Studio/Recorder/src/main.cpp

```
graph TD; A["/home/jetson/controlroom  
/Studio/Recorder/src/main.cpp"] --> B[iostream]; A --> C[string]; A --> D[cstdio]; A --> E[ui.h]; A --> F[config.h];
```

The diagram illustrates the file dependencies of the source file `/home/jetson/controlroom/Studio/Recorder/src/main.cpp`. Five blue arrows originate from the bottom of the top box and point to the following files: `iostream`, `string`, `cstdio`, `ui.h`, and `config.h`.

iostream

string

cstdio

ui.h

config.h
